

# Emad Uddin *Front-End Developer*

+880 1613567054 | emaduddin678@gmail.com | Adabor,Mohammadpur,Dhaka | Github | Linkedin | Portfolio

## Career Objective

As a Web Developer, I use my technical skills and creativity to create user-friendly experiences. I'm committed to blending innovation with practicality, making digital interactions smoother with stylish designs and easy-to-use interfaces. My goal is to make websites and applications that people love to use. Proficient in React.js and the MERN stack, I excel in building dynamic, responsive web applications. Currently pursuing a BSc in Computer Science and Engineering.

## My Proficiency:-

- **Frontend:** HTML | CSS | JavaScript | Bootstrap | Tailwind CSS | React.js | Redux-toolkit | Next.js.
- **Backend:** Node.js | Express.js | MongoDB.
- **Authentication:** Firebase Authentication | JWT Authentication.
- **UI Design Library:** AOS | Ant design | Chakra Ui | Material Ui.
- **Tools:** Git and GitHub | React Router | React Hook Form.

## Education:-

**BSc in Computer Science and Engineering** | ONGOING

**Higher Secondary Certificate** | 2019

**Secondary School Certificate** | 2017

National University | CGPA: 3.27

Firoza Bashar Ideal College | CGPA: 3.92

Mohammadpur Govt. High School | CGPA: 4.36

## Professional Experience

**XR Interactive**, Dhaka— Junior Front-end Developer (*June 2023- PRESENT*)

### KeyResponsibility:

- Developed and maintained responsive user interfaces for web applications.
- Integrated APIs to connect front-end components with back-end services.
- Implemented security features, including user authentication and data protection.
- Collaborated with cross-functional teams to design and enhance application features.

## Recent Projects:-

**1.Alponay Boishakh**, A dynamic website to dive into Bengali traditions, colorful festivities, and cultural delights as we embrace the spirit of Bengali New Year.

**Project Links:** [Live-Link](#)

**Technologies:** Html, css and vanilla JavaScript. Html canvas element, Animate on Scroll and Sweetalert2.

**Features:** Canvas drawing, Semetric drawing.

### 2.Event Supply Management System

**Project Links:** [Live-Link](#) [Frontend-Code](#) (mail: emaduddin@gmail.com, password: 123456)

**Technologies:** React, React Router Dom, Tailwind css.

**Features:** Export data list into Excel, Export billing into Excel, Admin dashboard, User dashboard, Token base Authorization.

**3.Freelance clients website,,** A personal portfolio for himself in French language.

**Project Links:** [Live-Link](#)

**Technologies:** React.js, React route dom and some packages.
